Re: Gulfco Marine Maintenance Superfund Site, Freeport, Texas
Unilateral Administrative Order, CERCLA Docket No. 06-05-05
Additional RI/FS Subcontractors

Dear Mr. Pastor,

The Environmental Protection Agency (EPA) has performed a review of the "Additional RI/FS Subcontractors, Gulfco Marine Maintenance Site, Freeport, Texas" letter dated April 24, 2007, and the follow-up "Additional RI/FS Contractors" email dated May 4, 2007. With this letter, the EPA approves the referenced proposed subcontractors. Therefore, the Respondents are authorized to proceed with the on-site work in conjunction with the remedial investigation and feasibility study activities.

If you have any questions, please contact me at (214) 665-8318, or send an e-mail message to miller.garyg@epa.gov.

Sincerely yours,

Gary Miller, P.E.
Remediation Project Manager
